Application flowchart

The process outlined below may vary, but will help to identify those actions needed to be undertaken by the applicant.

1. **Applicant** reviews relevant website(s) and identifies PIs working in area of interest

2. **Applicant** approaches potential PI, receives initial support of proposed project

3. **Applicant** completes sections 1 and 2 of application form and sends to PI

4. PI completes section 3 of the application form, liaising with relevant administrative/department colleagues

5. **Applicant** completes CHRIS6 form (Part 2 not required)

6. Final application form agreed by all parties

   - Form signed by **applicant** and returned to host department. References and CHRIS6 form to be included, *if not submitted to School Office*

7. **PI and HoD to sign form**

8. Host department to collate all applications and submit to School Office

9. **Shortlisting undertaken by panel w/c 5 September**

10. **Interviews held w/c 19 September**

11. **Fellowship to start within 6 months of PhD thesis submission. To end no later than September 2025.**
