or

This student's EPSRC funding ended on:

Please provide a short statement in support of the application made for an EPSRC Doctoral Fellowship, especially outlining the applicant's credentials and achievements to date.

It is a requirement that fellows are in the top 10-15% of EPSRC-funded students in their PhD host department. If it is not possible to comment on this, an indication of how they might compare to other PhD students you supervise would be appreciated.
