

STEM WP Internship Programme – Application Form

Please complete this form (you do not need to complete the optional question below if you would prefer not to) and attach your most recent transcript. Don't forget to complete the separate Widening Participation form too!

Before applying, ensure that you have reviewed the eligibility criteria and approached your chosen academic referee and provided them with the reference template.

Your referee should be a member of university academic staff, for example a tutor, advisor or professor, who knows and can comment on your academic ability, the quality of your work and your suitability for the internship. Remember to give them enough time to complete the reference.

The information provided on this form, along with the supporting documents, will be shared with those who are part of the shortlisting and selection process.

Only complete applications can be considered, so please ensure that this form, the WP form and your reference are submitted by Friday 14 March.

When selecting your preferred projects, both must be from the same school i.e. two from SoT or two from SPS. You can not select a project from each school.

First Name

Surname

Date of Birth

Gender

Email

Mobile/Telephone Number

First Preferred Project

Second Preferred Project

1. Please detail why you are applying to the programme and how you will benefit from this research experience
2. Please outline the reasons for your project selections, including how your academic experience to date fits with the projects chosen
3. **Optional question** - The programme is aimed at Widening Participation candidates (as per the eligibility criteria) and we invite you to outline any obstacles you have experienced to your educational development and how you managed them.
4. If relevant, outline any adjustments you will require during the internship. This may include a disability or accessibility issue which would require adjustments at the host department and/or college accommodation.
5. Please upload a recent copy of your academic transcript, which must include your name and University logo. This can be a PDF or an image file up to 100mb.
